

THE JENKINS INSTITUTE

“Serving God’s Servants”

Monthly Report – June, 2021

We hope your month has gotten off to a great start. Here is our report for the month of June, 2021 We are extremely thankful to those of you who have given or pledged support to our work within the past few weeks. If you have any questions or concerns, please call, text, or email us. (see below)

Since our last report we have produced two webinars for preachers. The first one was, "How Churches Can Best Rebound from Covid-19." The second was, "How to Be Shepherded Well." Our prayer is that both will continue to bless the approximately 2000 preachers from around the world who viewed them. We also produced our weekly Preach Today Podcast for ministers.

During the month of May we spent about three days working on our calendar for the rest of this year. We have planned two BETTER Preaching Conferences and one Minister's Renewal Retreat. We discussed a possible BETTER Elders Conference for later in this year or the first quarter of next year. We did a lot of brainstorming concerning future activities.

We are very excited to announce that our latest book in the publishing arm of TJI is in the final editing stage and hopefully will be in the hands of the printers within the next few days. Jeff has written a book entitled, "Beyond the Valley of Death," that we pray will be helpful to people who have lost their spouse. We want to send a copy to you. Text us or reply to this email that you want one and you'll be among the first to get a copy. We're delighted to send you a copy free of charge in appreciation for your help to us.

We appreciate each of you for your encouragement, support, and friendship.

In His Service,

Jeff & Dale
