

THE JENKINS INSTITUTE

“Serving God’s Servants”

Monthly Report – August, 2021

We would like to begin our August report by saying thank you to every congregation and every individual who supports our work through your prayers and financially. In recent days a number of new supporters have decided to partner with us in this work. If anyone who receives this report is considering supporting us, we would be happy to come and meet with you or answer any questions that you might have.

Many of you are aware that on July 11 Dale announced to the Spring Meadows congregation that he was stepping down from the pulpit there to work full-time with The Jenkins Institute. Dale will continue to preach until a new man is found to step into the pulpit.

Our dream of working full-time to help, encourage, mentor, and consult with preachers and churches has become very real to us now. We appreciate your prayers and your support now more than ever before.

During the month of September, we kick-off our second year of the TJI 222 Mentoring program. Several young men have completed the first year and will be moving into their second year, with a new mentor. We will add at least 25 new preachers this year. We are indebted to our outstanding group of seasoned preachers who work with these young men. If you know of a young preacher who might be interested please pass their name on to us.

We appreciate each of you for your encouragement, support, and friendship.

In His Service,

Jeff & Dale
